

- ① No more class time on RGM –
 - AO Thursday
 - Due Fri. 3/21
- ② For most of you – test Thursday
(some will test today)
- ③ Measurements/calculations/reflection
for RGM – E.O.C. Friday
2nd A 1953

Goal of RGM Measurements:

- How do simple machines change forces?
 - change in direction
 - change the size of the force
(at the cost of distance)
- 3 measurements at the start
and end of your RGM:
 - size of force
 - displacement
 - direction

Data table (complete today)

trial	Start mass	start disp.	start dir.	end mass	end disp.	end dir.
