

Personal Reflection

Physical Science and Technology

In one or two short paragraphs, answer the questions below. Make sure you explain and describe your answers rather than simply making lists. Use Google Docs and sign in with your Corvallis School District Google ID.

1. What do you feel are some of your strengths as a student?
2. Where do you see that you have some room to improve as a student?
3. What are some of your favorite things to do outside of class?
4. What are one or two things you would like the class instructors to know about you?

When you are done with this assignment, post it in Showbie.
