

9/22/10

USING A+CAD 2008

- To draw objects, use the buttons on the left tool bar.
- To modify objects you have drawn, go to the right tool bar.
- The command line at the bottom of the screen tells you what to do next.
- To end a command, hit the escape button.
- Today, you are to complete the CAD1 assignment. When done, show Mr. H. It is due at the end of the period.
