

Plant test: Friday, 10/7

- You can use your typed dichotomous key
- I WILL PRINT (on Thursday)

Permission slips for Noyes Property •

- On my website
- Print & bring back signed on Friday

# Noyes Property (and field work):

- We'll use Noyes property & campus locations for data collection
- BE PREPARED - wet, cold, mud
- For next 2-3 weeks, data will be observational
- We'll be studying Willamette Valley historical ecology

## SHOWBLE:

never  
delete

- I may ask you to turn in your work at the end of a class (sometimes it's a checkpoint)
- You should also turn in work at the due date
- Late work will be accepted but for fewer points
