

## 4<sup>th</sup> Quarter:

- Service project
  - Theme that you care about
  - You have to learn some math, science, reading, writing, social studies (pick one)
  - Communication
  - Target audience

## This week: MAKE ME AN OFFER

- What will you do, and will it meet these criteria?
- You can't start working until I accept your offer:  
in the form of a PP presentation delivered to an audience

Your presentation should include, but not limited to...

- Slide that explains your overall goal
  - Slide that describes what you'll learn
    - \*if you want math/science credit, explain
  - Slide that explains how you will communicate with your audience
  - Slide that describes your target audience
- A slide or group of slides that lays out a plan—include target dates & places & materials

1. Make some decisions —
  - who will you work with (3 <sup>pepe</sup> <sub>max</sub>)
  - what are you going to do
2. Make a P.P.
3. Present
