

Noyes Property

- City of Corvallis park - .25 miles from CV
- Designated for environmental education
- We will:
 - environmental restoration
 - do ecological research (NITRB)

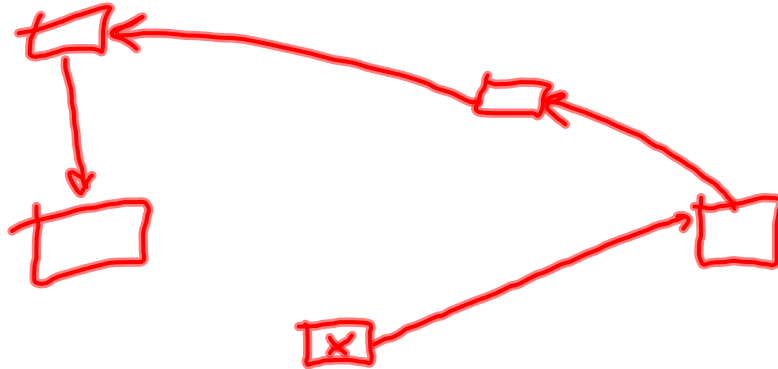

W

- We'll use compasses / meter tapes
- We can find any other point by knowing the direction & distance from a reference point

Orientering scavenger hunt:

- In a group of 3-4, lay out a path for another group to follow
- There will be five points on that path (pieces of paper) – with instructions to find the next point
- Switch compasses with another group & follow their path

- find your group
- make 5 pieces of paper
- get compass / tape
- finish path by 10:45
- switch & follow

• your names
• point # (1-5)
• direction &
distance to
next point

→ #5: School appropriate
