

You have until 11:50 to  
collect data: Don't stop  
until 11:49!

meas. 1 <sup>st</sup> fact.	meas. 2 <sup>nd</sup> factor
---	---
---	---
---	---
---	---
---	---
---	---

## Quality:

1. Spend the same amount of time at each spot
2. Look at areas that are the same size
3. Come up with criteria to determine where you'll look

Enter today's data into Excel  
individually

(cm)	tree species
5	douglas fir
10	
22
