

Final Personal Reflection

PST

Respond to each of the following questions in complete sentences and paragraphs. Have an instructor review your work. At the end of the period, make sure you've printed it out, with your name, and turned it in.

1. Describe in detail three things you learned about yourself this year as a student or a person.
2. Describe three specific things you want to or need to improve on next year. Consider things like study skills, academic skills, and other things that might be helpful for you to achieve your future goals. Make sure you explain these goals in detail.
3. At this point in your education, what do you think you are most likely going to want to do right after high school? Explain why you think you would want to do this and how it might benefit you as you move into adulthood.
4. What do you see yourself doing in 10 years? Describe at least three possibilities, discuss the advantages and disadvantages to those outcomes, and explain why you think each of those options is realistic for you.
