

### 3 goals for Noyes Property Trip 11/4/9

- ① Check to see which plants you can find at the Noyes Property (10 min.)
- ② Write a description (overall) of the property (15 min.  $\leftarrow \begin{matrix} 5 \text{ min} \\ 5 \text{ min} \\ 5 \text{ min} \end{matrix}$ )
- ③ Find 10 labeled flags suitable for your study (20 min.)

Now:

Add your plant list and visual description information to the Background Information section of your proposal. Then, add the flag numbers you found to your blank Data Form.
