

9/20/10

General Announcements:

- If you have safety glasses, please engrave them today. Get the engraver from Mr. K or Mr. H. Then give them to us to place in the cabinet.
- The bookkeeper should have everyone's name now for glasses -- try taking your \$2 to her again.
- Turn in any contracts that you have signed.

TODAY:

1. Go to one of the two computer labs.
2. Put your name on a folded index card on top of your computer.
3. Complete the Reinventing the Wheel write-up.
Before printing, have Mr. K or Mr. H look at it first.
Print it on the HP4050 printer (this is in F-11).
Go to the class website to find instructions for the write-up.
4. Start learning A+CAD 2008 by:
 - Opening A+CAD 2008
 - Clicking on the A+CAD Quick Start Tutorial Link on the class website.
 - Go through the tutorial.
 - TAKE YOUR TIME!!
 - ASK QUESTIONS IF YOU NEED TO!
5. Work productively and stay on task and you won't get moved.
6. The following students will be interviewed for apprenticeships today --
you are to go to F-11 and log in to a computer first.
