## Course Description and Goals

Raider Academy is a course for 9<sup>th</sup>-graders that emphasizes service learning, project-based activities, and team building skills.

## Instructional Activities

Students will learn academic, behavioral, and cognitive skills through a variety of student-led service learning projects..

## Assessment Procedures

Students will be assessed through their classwork, project work, and participation.

## Grading Policy

Progress reports will be sent home every 9 weeks. Grades will be given each semester. Grades will be calculated as a straight percentage of your work; letter grades are determined by a standard 90/80/70/60 scale. The option of receiving a Pass/No Pass is available; however, this choice must be made with your instructor's permission within the first three weeks of the quarter.

## Credit Denial Policy

Attendance and class participation are important parts of learning. Course credit denial is a possibility if students do not attend class. Credit denial in this course may occur when a student has accumulated five (5) unexcused absences and their grade has fallen below a 60%. Students and their parents/guardians will be informed in writing of the possibility of credit denial when a student has accumulated four (4) unexcused absences. Credit denial decisions will not be based on absences due to religious reasons, a student's disability, or an excused absence, as determined by district policy. Students who are failing a class at the time of credit denial will have an "F" entered on their transcript. No credit will be awarded for the course.

Corvallis School District Policy IKAD

## Plagiarism Policy

The Plagiarism Policy for Crescent Valley High School will be followed in this course. Please see the student planner for details of this policy.

## **Tardy Policy**

All students are expected to be in the room and in their seats by the time class starts or they will be marked tardy. Students who accumulate three or more tardies may be given a detention.

## **Attendance Policy**

Absences should be kept to a minimum. It is very difficult to keep up with the activities and projects in this course without being present. Chronic attendance issues will result in an attendance contract. All absences must be excused through the attendance office by a parent or guardian within 48 hours. After that, your absence is considered unexcused. Make-up work will not be accepted for unexcused absences.

*Excused Absences:* Work that is late due to an excused absence will not be penalized but should be made up immediately upon return. For each day that you are absent, you will get one extra day to turn in your missed work.

## **Late Work Policy**

Work that is turned in within 24 hours after an assignment's due date will be accepted but graded with a 30% deduction. Students will be given no credit for work turned in after this period of time. Students with excused absences will be granted one day for each day absent to submit work. Extensions may be made to this policy when reasonable; please arrange any extensions prior to the due date of the assignment.

## **Personal Electronics Policy**

For safety and instructional reasons, the use of personal electronic devices (i.e. cell phones, mp3 players, gaming devices, etc) may periodically not be allowed in the classroom. Devices observed in class will be confiscated. For the first offense, students will be able to pick up their device from an administrator in the front office at the end of the day. Repeat offenses may result in the device(s) being held in the office for an extended period of time.

## **Classroom Behavior Expectations**

Students in Raider Academy are expected to manage their behavior and conduct themselves as adults. Students who disrupt the learning environment will be placed on a behavior contract and/or removed from class.

Students will be expected to read, understand, and sign the safety contract before participating in any lab activities. Students are expected to stay in the classroom during the instructional period. Extended departures can affect your grade in the class. Extended leaves (beyond 10 minutes) will result in an unexcused absence for the block. Students are not allowed to eat or drink near laptops or computers.
