

Today's top priority:

Collect 5 trials of data
for each adjustment of your
project * then you can work

Friday's top priority:

Complete a report —
including data and analysis
* then you can work

Outside of class

- Work on whatever you need to
- Make necessary arrangements with teachers

All work needs to be complete and turned in by end of 5th on Friday!

NOT DONE?

Collect your 15 trials
however you can! Then
finish your project.
