1<sup>st</sup> Fac.

2<sup>nd</sup> Fac.

meas.

1<sup>st</sup> Facet

meas.

2<sup>nd</sup> Factor

turn in

From now to 11:30:

- Collect data
- Ask for materials (pretend)
- Individually
- Replicates!

Task 1: Pick a partner (optional)

Task 2: Decide on a WTRB question

Task 3: Make a materials list  
(that Bregar needs to provide)  
and a 3-4 step list  
of instructions for measuring  
each factor
